

"Forgetting" the Past While Pressing On (Philippians 3:13)

Eileen Scipione

I. Most people have a "past".

II. Many people want to move forward.

III. God has powerful and precious answers to painful memories of the past.

IV. Your identity is in Christ, not your performance.

V. The past is part of God's perfect plan for the man or woman you are today and will be in the future.
