

IBCD Care & Discipleship Course

Level 1 Leader Interview

Instructions

These questions are to be asked of you by a leader in your church who works closely with the pastoral care and discipleship of the congregation. There is no “grade” for these questions, but they are a guide to ensure that your church is aware of what God has been teaching you and how you may be useful to the local body of believers.

Be sure to have your church leader sign and date this form when completed. It will be turned in with your CDC Level 1 Application.

1. What are some concepts that you have found helpful in the Care & Discipleship training?
2. What life-experiences have you had that the Lord may use as you help others?
3. Read 1 Timothy 3:1-7. While these are qualifications for elders, the characteristics listed are exemplary for all Christians. In light of those qualifications, what are your strengths and weaknesses at this time?
4. How do you hope to continue to grow in your ability to care for and disciple other believers?
5. What types of needs or situations do you have a particular desire to help?
