

IBCD Care & Discipleship Course Level 3 Leader Interview

Instructions

These questions are to be asked of you by a leader in your church who works closely with the pastoral care and discipleship of the congregation. There is no “grade” for these questions, but they are a guide to ensure that your church is aware of what God has been teaching you and how you may be useful to the local body of believers.

Be sure to have your church leader sign and date this form when completed. It will be turned in with your CDC Level 3 Application.

1. How has your understanding of helping people changed throughout the Care & Discipleship certification process?
2. What did you learn from the Counseling Observation process?
